Discussion Questions November 7-8, 2020

1. Proverbs 19:17 is a fascinating verse, discuss the meaning behind it! How do we “lend” to God. Try to reach some conclusions you can act on this week.
2. When we discuss “living life with confidence” can you share honestly how this week has affected you, have you been anxious or confident? How do we “balance” our fears as a society that appears to be losing its “anchor points” re: values & godliness? 1 Peter 3:15-17; 1 John 4:4
3. Matthew 5:43-45 puts us “to the test” in today’s environment. Many Christians are angry over the moral & integrity issues that are disappearing before our eyes. Have an honest discussion about how you believe God wants you to handle this!
4. Defend truth, witness freedom. John 8:32-36; Proverbs 14:34. Defending truth begins with being open & listening to God’s voice through the Holy Spirit. Discuss John 8:33 and what that implies about honest hearts. Share examples of how God’s truth sets people free.
